

Local Businesses and Organizations Participating in the Donation Program

The businesses listed in this program are donating money to **Northpoint Christian School** each month through our credit card donation program. Each time one of their customers uses a debit or credit card to pay his or her bill, **Northpoint Christian School** receives a portion of the fee to process that transaction.

The business owner does not write a check, the payment is automatically donated to **Northpoint Christian School**. To thank these credit card participating business owners, we promote their business in our sports programs, in our play programs, and on our website.

Please make every effort to patronize these businesses and thank them for contributing to **Northpoint Christian School**.
