Our Vision

Northpoint Christian School will be a leader in distinctive Christian education by providing an excellent educational environment that honors Christ, nurtures people, and instills within our students a Biblical worldview, a love for learning, and a heart to know God and fulfill His plan for their life.

Our Philosophy

We believe that Northpoint Christian School is an extension of the ministry of the church and cooperates with the home to educate the student.

We believe that God is the source of all Truth, and true education must be based on His revealed Word.

We believe that the integration of God's Word into all that we teach is essential to the spiritual, mental, physical, and social development of our students.

We believe in a structured curriculum that has been filtered through the Word of God.

We believe that the curriculum should provide opportunity for each student, as a special creation of God, to be educated as an individual with his unique abilities, personality, and potential.

We believe, testify, and demonstrate in our own lives, the reality of a personal encounter and walk with Jesus Christ as presented in God's Word.

We believe our purpose is to develop in students the "mind of Christ" (Philippians 2:5) so that God's Truth becomes an inseparable part of their lives and thinking processes.
